1. Students are to make their way back to their allocated supervisor.
2. The allocated supervisor is to conduct a head count and when the total is correct, take their group QUICKLY and CALMLY to the nearest evacuation point, as indicated on the map (appendix A).
3. Once the group has exited the park they are to make their way to the car park (unless directed otherwise by a Maze Team Member) and remain there until the teacher in charge has completed a role call and reported any missing person IMMEDIATELY to The Maze Team Members.
4. The Maze Team will coordinate a sweep of the park, checking toilets, attractions, parkland and the café for any missing persons.
5. All Guests should remain assembled at the Emergency Assembly Point until directed otherwise by a Maze Team Member.
